PROPOSED DRAWING CORRECTIONS

Box: MISSING PARTS

Assistant Commissioner for Patents
Washington, D. C. 20231

Sir:

In accordance with 37 C.F.R. 1.121, Applicants submit proposed drawing corrections to the originally filed informal drawings. As required by 37 C.F.R. 1.121, the changes have been made in red ink.

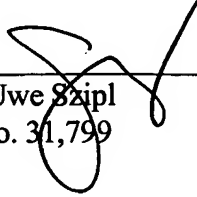

Specifically, Figure 4a has been corrected to complete the labeling of element "5b." Figure 4b has been corrected to illustrate element "5b" as a schematic box as shown in Figure 4a. Applicants believe that the proposed drawing corrections add no new matter to the application.

Applicant points out that the originally filed drawings are informal. Formal drawings incorporating the proposed drawing corrections are filed herewith in a separate paper.

Questions are welcomed by the below signed attorney for Applicant.

Respectfully submitted,
